Tournament Scoring	All round robins, self-refereed matches; Every division will play two games to 15, NOT rally scoring. Large "pool play" divisions will have Saturday playoff matches. Playoff format will be two games to 15, tiebreaker to 11 if needed. A marker will be assigned to keep score on playoff matches. Bonus points are awarded for winning games (2 per game) and the match (4). Points are automatically calculated by the R2sports tournament software. When any team or player must forfeit, average scores will be used to determine final results of the division or pool. If a forfeit occurs during a match, the opposing team or player will be awarded points required to finish the match. You must play <u>all</u> of your matches in a division to receive a medal. In rare circumstances, a "watcher" may be requested of the tournament director to settle disputes.
Appeals	The NMRA has a Rules Committee that can be used by the players to submit an appeal on a rule (immediately) or issue (not necessarily immediately) that arises during the event. The decision of the Rules Committee is final and binding on all parties concerned.
