Tournament Ball	Pro Penn Purple is the official ball of the NMRA.
Tournament Scoring	All round robins, self-refereed matches; Every division will play two games to 15. Large “pool play” divisions will have Sunday playoff matches. Playoff format will be two games to 15, tiebreaker to 11 if needed. Bonus points are awarded for winning games (2 per game) and the match (4). Ties will split the extra four match points. Points are automatically calculated by the R2sports tournament software. When any team or player must forfeit, average scores will be used to determine final results of the division or pool. If a forfeit occurs during a match, the opposing team or player will be awarded points required to finish the match. In rare circumstances, a “watcher” may be requested of the tournament director to settle disputes.
Appeals	The NMRA has a rules committee that can be used by the players to submit an appeal on a rule or issue that arises during the event. The decision of the rules committee is final and binding on all parties concerned.
Tournament Awards	NMRA medals will be awarded to First through Fourth place winners for each bracket. Combined brackets will be awarded medals based on age.
Eligibility	USAR-sanctioned; Current USAR membership is required to participate. Entries will not be accepted without payment for USAR membership.
