## Downtown Restaurants

The Antlers Hotel remains the only deluxe hotel in the downtown area. The impressive façade of our hotel faces the lovely, tree-lined downtown. Parks, museums, unique shops, and restaurants in the downtown area are all within walking distance. Our convenient location, coupled with a towering backdrop of the Rocky Mountains, is what makes our hotel an unmatched destination.

## Attractions Colorado Springs

**U.S. OLYMPIC COMPLEX** - Olympic Training Center and sport facilities which hosts 17,000 athletes a year.

**OLD COLORADO CITY** - This first permanent settlement in the area was once a rough town of saloons and parlor houses. Now it is a National Historic District with many interesting shops and restaurants.

**AMERICA THE BEAUTIFUL PARK** - Fantasy Playground includes hammocks, spinner bowls and turntables that will provide "out of this world" fun for all who come to play!

**SEVEN FALLS** - South Cheyenne Canyon. Scenic canyon with cascading falls, nature trails and Native American dances.

**WORLD ARENA** - The premier sports and entertainment venue in the Pikes Peak region.

**GARDEN OF THE GODS** - Renowned for its magnificent red sandstone formations. A registered national natural landmark containing 940 acres.

**NORTH POLE/SANTA'S WORKSHOP** - 10 miles west on U.S. Highway 24. Children's rides, quaint shops and restaurants. Santa and his elves greet the visitors. Open mid-May thru Christmas Eve.

**CHEYENNE MOUNTAIN ZOO** - America's only mountain zoo. Set in scenic mountain terrain and open year-round. Features include Primate World and Wolf Woods.

**ROYAL GORGE** - 8 miles west of Canon City on Highway 50. The world's highest suspension bridge spans the spectacular gorge, 1,053 feet above the Arkansas River. Walk or drive across the bridge constructed in 1929. Take an incline to the bottom or cross the gorge by aerial tram.

**COLORADO SPRINGS FINE ARTS CENTER** - Famous for its Taylor Museum collection of southwestern artifacts. Fifteen-minute walk from the Hotel.

**CAVE OF THE WINDS** - Four miles west on U.S. Highway 24, Manitou Springs. A one-milelong cavern with guided tours through the cavern explaining the formation of the stalagmite and stalactite structures.

**MANITOU SPRINGS INCLINE** - So you think you can climb the Manitou Incline? This is considered an extreme trail and is an advanced hike! The Manitou Incline gains nearly 2,000 feet of elevation over less than 1 mile.
